#### Minutes of the Slinfold Parish Council Meeting held on 28th March 2024

#### 1. Attendance and Apologies for Absence

In attendance: Councillors Pyle, Roberts (Chair), Sherwin-Smith, Slipper, Smith Nigel, Smith Paula, and Walker.

Apologies from: Councillors Casdagli, Pegg and Skeates which Councillors RESOLVED to accept.

**Also in attendance**: Mike Simpson (Clerk); County Councillor Christian Mitchell; District Councillors Kasia Greenwood and Tricia Youtan and three members of the public.

- 2. To Receive Declarations of Interest, Notification of Changes to Members' Interests and consider any requests for a dispensation. There were none.
- 3. Public Session (Members of the Public may speak for up to five minutes at the discretion of the Chair) Two members of the public spoke about restarting the Alf Shrubb Memorial race which was a popular 5-mile race in Slinfold until 2015. Alf Shrubb was born in Slinfold and was one of the most successful runners in British history but organising the race had been too much for one person to manage. However, there was now a committee in place to organise the event and they wished to get the Council's support as well as find fundraising support from volunteers. The plan was to start the race at 11am by the church and run up to Nowhurst Business Park, back to the cricket club and U turn back to Nowhurst. The proposed date was 15<sup>th</sup> September.

A representative from the Scouts updated the Council on plans for a new hut. Due to the cost and potential issues with planning permission, the Scouts were looking at how they could upgrade the existing hut instead of purchasing a new one, which would include works to the inside and outside.

The Clerk presented the latest position and advised that the Cambridge and Counties bond had now been transferred to the Council's COOP account which meant it was no longer an asset. A lot of work had already been done and the road closure application had been submitted. A history of Slinfold display would be hosted at the church and a volunteer was still required for the candy floss machine.

#### (b) To hear from members of the public regarding the 'Alf Shrubb Memorial' race

Councillors agreed it sounded like a great event and would help where possible, especially with advertising. (c) To discuss any Easter events

Various Easter events were up and running including a children's quiz.

#### 11. Highways

#### (a)To receive an update on the 20mph buildouts

WSCC had responded to the Council about increasing visibility of the first buildout on Lyon's Road following two incidents. The suggestion was to install a yellow-backed bollard and paint the surrounding kerb as well as improve the lighting without increasing pollution. Councillors **RESOLVED** to request that yellow-backed bollards were placed on all buildouts as this would create lower levelled signs easier for the motorist to see. Councillors also discussed the location of the first buildout on Lyon's Road as it was causing issues for residents of The Limes House when large vehicles accessed the property and poor visibility when exiting their driveway. Therefore, Councillors **RESOLVED** to request that the buildout was moved east so it was in between The Limes House and Burnhall House. This would also remove the buildout from the dip and, with the benefit of a yellow bollard, would increase overall visibility of the buildout.

# Parish Council Report – February

# Council sets balanced budget for financial year 2024 to 2025

At a meeting of full Council on 21 February 2024 Horsham District Council councillors agreed to set the Council's financial and capital budget for the coming financial year which starts in April 2024.

Despite the effects of high levels of inflation over the last two years, which have increased gross costs by some £3.5 million, the Council is still on course to deliver a balanced budget for the financial year 2024/25.

# Volunteer Awards 2024: Open for Nominations!

#### Deadline: 15 April 2024.

As part of the 40th Anniversary of Volunteers' Week in 2024, we want to celebrate the amazing volunteers that work in and around Horsham District.

We know just how hard you have worked not only delivering your existing objectives, but also expanding your work and even setting up new community projects to support residents through the challenges of the last few years.

You have been championing the voluntary sector in Horsham District and are a fundamental part of what makes it such a fantastic place to live, work, and visit. And that's what we want to celebrate this year at Horsham District's Volunteer Awards.

Anyone can be nominated for one of the volunteer award categories if:

- They are a volunteer for a charity or community group in Horsham District.
- They have not already won that award (e.g., if they previously won the Long Service Award, they cannot be nominated for the Long Service Award again etc.).
- They are not nominating themselves!

Fill out the simple online form to tell us who you want to nominate and why. All nominations for consideration should be received by 5pm on 15 April 2024.

# Horsham District Council marks its 50th anniversary

This year marks a major milestone for the Council, as it celebrates its 50th anniversary.

In honour of the golden year, a number of our planned events will have a golden 50<sup>th</sup> anniversary theme, with the focus on thanking individuals who have made a positive difference to Horsham District communities over the years.

Our Chairman will be hosting a special thank you tea party at Warnham Local Nature Reserve in June for **Community Heroes** who have been nominated by residents.

You can nominate your Community Hero to thank them for all the amazing things they do to make the Horsham District so special. They could be a friendly face at your local store, a postie who goes the extra mile, a neighbour who is there when you most need them, a carer who goes above and beyond, a super sports coach, a litter picker keeping your street tidy, a fantastic youth leader or a volunteer driver.

We are also calling on creative primary-aged children in the District to **design a thank you card** for our fantastic Community Heroes.

Horsham Museum & Art Gallery will be marking the anniversary on Friday 7 June with live music and a special exhibition and on the same evening, we are continuing our Friday Lates entertainment programme on the Carfax Bandstand with a 70s twist.

Throughout Sunday afternoons in June, **The Capitol** will be treating us to classic cinema with films from the 70s for only £3!

#### **Report to Slinfold Parish Council**

Cnty Cllr Christian Mitchell Thursday, 28 March 2024, 7:30pm

#### Village traffic calming scheme on The Street

I have arranged a meeting with a resident with Highways in mid-April 2024 about obstructions being caused to driveway access that could be as a consequence of the traffic scheme.

#### A29, Traffic Regulation Order (TRO)

The Parish Council were advised on 5 March 2024 by Mr James Strachan, Assistant Highways Manager that WSCC Highways position is that the best option would be to apply for a Traffic Regulation Order (TRO) to reduce the existing speed limit to 50mph.

Before applying there should be the support of the wider community as this helps the County Council assess whether local people will object to the proposal when it comes to the legal stages. Objections can mean that proposals don't progress so those with initial support from the community stand the best chance of succeeding. It is suggested to include support from local County councillor and MP where possible.

Together with the TRO application, Mr Strachan also discussed with the Parish Council's Clerk on 5 March 2024 the potential for village gateways to be installed at the Slinfold Parish's boundaries. These would need to be licenced through the s.115 of Highways Act 1980, which is a notice being placed on site for 28 days then if no comments are made we can grant permission for these to be erected. Gateways are owned and maintained by the Parish Council.

#### Hayes Lane

Mr Liam Nally has been liaising with the Parish Council's Clerk earlier this month on this matter regarding the Parish Council's enquiry regarding the drainage issue coming from the ditch in Spring Lane which overflows into Tannery Close to raise a jetting job of the adjacent gully.

#### Chairman of West Sussex County Council Council

At the Annual Meeting of Council held on 225 March 2024 Cnty Cllr Peter Montyn was elected Chairman of WSCC County Council for the Civil Year 2024/25 taking over from Cnty Cllr Pete Bradbury.

#### WSCC Highways

The very wet weather has played particular strain on services since this winter. WSCC Highways have experienced unprecedented levels of rain and named storm events over this autumn/winter. To put this in context, over the past five months (October 2023 to February 2024) Highways have had more rain than would normally have in a year. February 2024 saw the highest level of rain since records began and in the first week of this month (i.e. March 2024) have already experienced a month's worth of rain.

Unfortunately, with these conditions' potholes can form as water seeps under the road surface and saturates the substrate, leading to a hydraulic effect as vehicles pass over. This is

particularly the case where there are 'evolved roads' which don't have formal construction layers or where there is existing damage to road surfaces.

It is therefore unsurprising that we are now seeing a large number of issues on the network, and Highways are experiencing very high numbers of customer reports. The Highway Teams are dealing with double the amount of enquires they would normally see e.g. 2,500 per week over the past two weeks.

Contractor's gangs are working twilight shifts and Saturdays to manage the increased number of safety jobs. Highways have also increased the number of gangs and will continue to add to this resource but sourcing additional gangs at this time is very difficult and is a national issue.

In terms of drainage, in WSCC Highways normal cleansing programme they have cleansed 90,000 gullies this year. In addition, Highways have four gully suckers operating across the network carrying reactive work to alleviate flooding issues. They have tackled over 600 jobs on our highest priority sites.

# Ofsted and the Care Quality Commission SEND (Special Education Needs and Disabilities) inspection of West Sussex Local Area Partnership

The report (released on 29 February 2024) gives West Sussex Local Area Partnership the middle rating for delivery, planning and commissioning of services.
